Quotation No. : **Q_KNX_025-26PA_แสงฟ้าก่อสร้าง_Hyatt House**

Project : **Hyatt House Asoke - Option 1**

Date : **23 February 2026**

Attn : คุณอรรถพล **Tel :**

From : **K.Phiromrat A.** **Tel : 065 542 6592** **Email : phiromrat@ces-asia.com**

Subject : **Quotation of KNX Merten System**

Item	Description	Amount	Quantity	Total amount
1	KNX Merten System	2,468,775.00	1	2,468,775.00
2	Central control	262,110.80	1	262,110.80
Total Price				**2,730,885.80**
Special Discount	**2%**			**54,617.72**
Total Price After Discount				**2,676,268.08**
Vat 7%				187,338.77
Grand Total Price				**2,863,606.85**

Remark : ตู้คอนโทรลจะต้องเชื่อมต่อถึงกัน โดยสาย KNX เท่านั้น

1. Control แบบ On/Off จำนวนโหลดต้องไม่เกิน 16A ต่อ 1 วงจร เท่านั้น
2. ราคาที่นำเสนอนี้ วงจรที่เป็น DIM PHASE ระบบ C-Bus จะคอนโทรลแบบ Dim Phase จำนวนโหลดต้องไม่เกิน 250 วัตต์ ต่อ 1 วงจร.เท่านั้น
3. ราคานี้ นำเสนอตามเอกสาร แบบ _31 OCT 2024 เท่านั้น
4. ราคานี้ รวม Computer Central control
5. ราคานี้ ไม่รวมคอนโทรลม่าน ,แอร์ , และ motion sensor
6. ราคาที่นำเสนอนี้ ไม่ได้เชื่อมต่อกับระบบ lighting control เดิมและไม่ได้เชื่อมต่อกับระบบอื่นๆ
7. ราคาที่นำเสนอนี้ ไม่รวมคอมพิวเตอร์ระบบ BAS
8. ราคาที่นำเสนอนี้ ไม่รวมงานติดตั้งและการเดินสาย Wiring ระหว่างชั้นและอุปกรณ์ต่างๆที่เชื่อมต่อกับระบบอื่นๆ
9. ราคาที่นำเสนอนี้ ไม่รวมตู้ B3.1 , B3.2,B3.3,B3.4 เพราะไม่มีข้อมูล

Delivery : 30-60 days after receipt of purchase order and down payment.
Delivery to Bangkok area. Upcountry subject to additional Charge.

Validity : 30 days from the date of quotation.

Payment: The payment shall be paid as below:
- 40% Down payment by cashier cheque against purchase order
- 60% Transfer the payment before each shipment of goods. Each payment shall be made against each delivery

Partial payment allowed againt partial shipment.

Scope of work

1. Providing all material according to this quotation.
2. Providing the service and work according to this quotation.
3. Providing drawing of control panel.
4. Providing the engineer to advise the installation for one time. The customer have to provide the qualify and responsible person for this training.

And notice 7 days in advance.

5. Providing the engineer for program work for 2 times.

Customer need to prepare all related equipment and it shall be ready and in good condition for this work.

In case of any extra service or site visit, we are reserved the right to propose the charge fee for service as below :

Service charge per 1 engineer is 6,000.00 Baht per day and transportation charge 15,000.00 Baht per trip to Site. (This price is excluding VAT 7%)

Any area outside Bangkok, the transportation charge shall be proposed later.

5.1 first time : Testing and commissioning at site.

5.2. second time : commissioning after lighting designer comment, training to the Contractor and Hotel staff and handover project.

6. Warranty condition :

6.1 Warranty period is 12 months after testing but not later than 15 months after the delivery date of material.

6.2 Warranty is under the normal usage and right condition and the damaged shall be caused by factory defect.

6.3 Warranty is not cover when using inappropriate or wrong working condition or any other's modify and change.

6.4 Any damage under the above condition, we will repair and change the part without any charge according to the below condition

6.4.1 Customer has to present the warranty document every against the service request

6.4.2 This warranty is not cover the standard equipment such as power outlet, switch, lighting and accessory,
cable which not under the warranty.

6.4.3 Any damaged caused by wrong operation, accident or disaster such as fire, flood, earthquake are not under the warranty.
As per the above condition, customer has to response for the part, repair and service.

6.5 Company reserve the right to charge the service and part for the repair in case that not under the warranty condition.

7. If this project use Touch Screen, Program price for Touch Screen cover 20 Page (extra charge 1,000 baht/page)

8. If this project use Computer with Schdule Plus Solfware Control, Program price for Schdule Plus Solfware Control cover 20 Page
(extra charge 1,000 baht/page)

9. If this project use Wiser Home Control, Program price for Wiser Home Control cover 100 Point (extra charge 100 baht/point)

Our scope of work is excluded the below

Material, Labels equipment and Cable which are not mentioned in out quotation is excluded from oour scope of supply and work.

This price is not included the installation of all equipment, cable, conduit, etc.

This price is not included Switch Hub Router, (if this project use Wiser Home Control)

This price is not included dyndns for fix IP Address if this project used Wiser Home Control from internet.

Provide maximum 3 smartphones setup if this project used Wiser Home Control.

The work that customer has to provide the material and installation for below :

1. Provide all cable and wiring work including signal cable Cat.5
2. All cable wiring from load center to lighting control and to all load of lighting and other including all cable termination work.
3. The mounting of lighting control panel and the switch including cable termination work
4. Provide other equipment such as lighting fixture, switch, power outlet etc.
5. Provide and install the junction box for all switch and other equipment

My best regards,

Phiromrat Arumugam
